

StoSuperlit®

The robust natural stone plaster for distinctive surface finishes

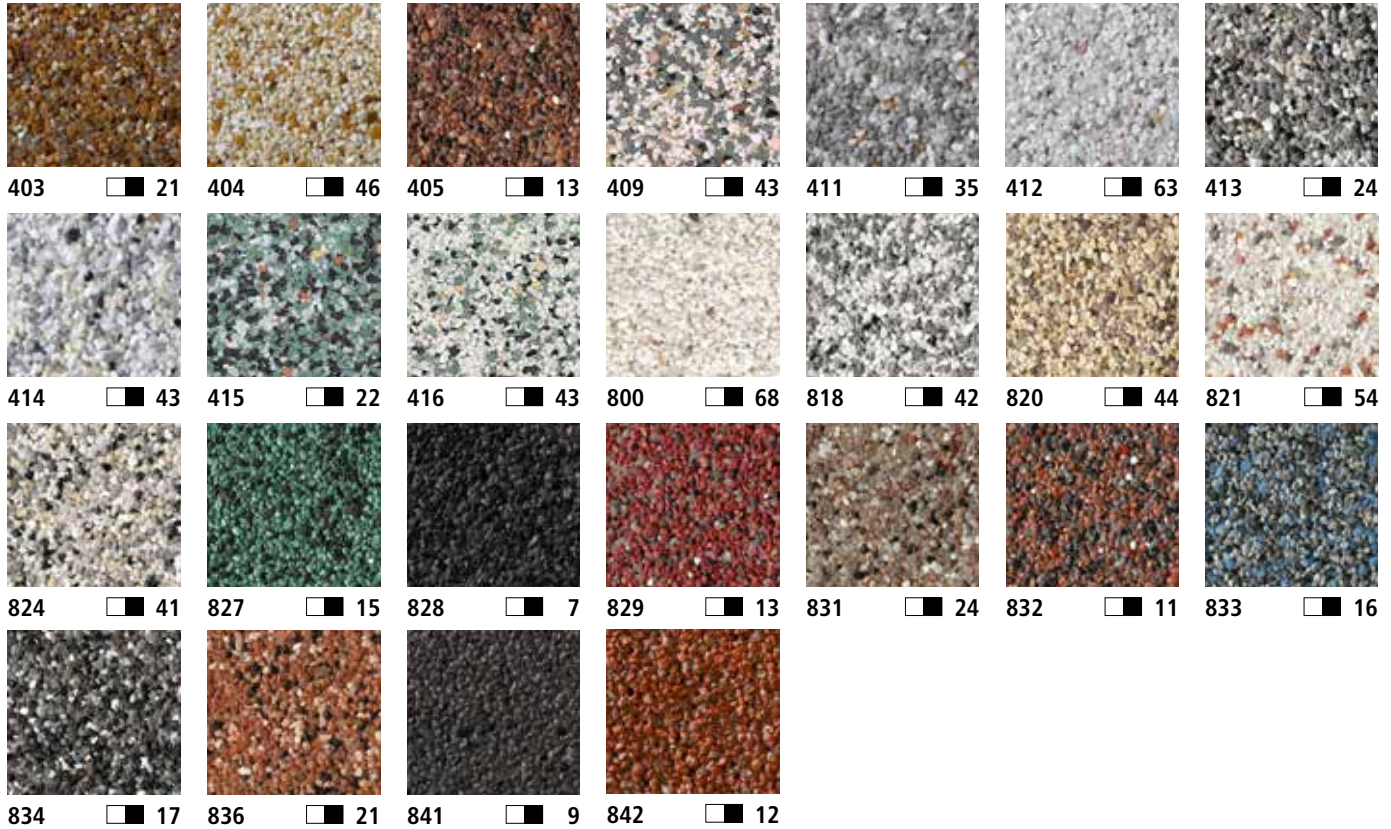

The StoSuperlit® collection offers 25 colourways for decorative colour effects, guaranteeing an individual look for natural stone finishes on facades. With its broad spectrum of applications, e.g. as a colour highlight in entrance areas, on parapets, balconies, loggias or as a classic touch of colour in the plinth area, the hard-wearing natural stone plaster conjures up interesting new combinations every time.

- Euro collection comprising 25 colours
- Ideal for plinth and entrance areas
- Highly resistant to mechanical stress
- Dirt-proof
- Weather-resistant
- Sto-Superlit Protect transparent sealing is optionally available
